## Abstract-A-Licious!

If you've looked with secret longing to the world of art quilts but don't know where to start, this is the class for you. Lyric will gently guide you through concrete exercises designed to help you create ideas for original abstract quilts.

Doodles will be scribbled, eyes and minds will be opened, and fun will be had as we hone design decision making skills. You will learn the basics of fused collage as you assemble your quilt top. Even students who have never created their own designs before will end the day with at least one small and uniquely original art quilt top.
